Add cake smash for \$25

The Cake

I would love to be able to provide this for my clients, but due to possible food allergens etc, it is unfortunately a liability for me, so I have the parents bring the cake. Hint: Any type of fluffy whipped or butter cream icing works best. Stay away from fondant as it can be a choking hazard. Chocolate tends to not photograph as well as a white cake does. Also red and blue stain and can be difficult to get off baby.
