

CHECKLIST FOR SENIOR BOY PHOTO SESSION

THE WEEK BEFORE

- ❖ If you're due for a haircut, this is a good time to do it.
- ❖ Think about props or a pet you may want to bring to your session. Things that have a special meaning are great to incorporate into your shoot.
- ❖ Determine your clothing and coordinating shoes for the shoot. Let me know if you would like my help in finalizing your outfits.
- ❖ Please text me a picture of each outfit laid out on a flat surface so that I can brainstorm on the best outfit for each of the locations.

THE DAY BEFORE

- ❖ Be sure that everything is IRONED and picture perfect!

THE DAY OF

- ❖ SHAVE right before your photo session.
- ❖ Bring a water bottle. Arrive to the location in your first outfit.
