

FCC PHOTOGRAPHY ASSOCIATES IN SCIENCE DEGREE MAP

Each Photography class is a 3-unit Lecture / Lab course.
Course work must start with Photo 12 or Photo 6 and can be completed concurrently.
An AS Degree in Photography includes the Professional Photography Certificate and **additional General Ed classes**.
Additional information can be seen at www.fccphoto.com

Enrichment Courses not tied to degree or certificate:

Photo 17 Classic Black & White
Photo 267 Intro to Aerial Multimedia
GRC 300A Adobe Certification
