The Big Day!

Enjoy ENJOY!
My team and I will work throughout the day capturing moments for you and your family. Planning pays off here!

Let's Meet

In person or on the phone...we both want to be sure we're a good fit for each other.

Plan, Talk, Schedule

We'll talk several times before the big day. I will coordinate with your planner and other vendors. We'll do a site walk through, together or virtually (as back up).

Relive the Joy!

First the online preview and gallery, then I will get you your mobile app. Next I will work on your album and prints for friends and family.

All you have to do is click, enjoy and share the smiles!
