

saluté DENTAL

NEW COVID-19 RELATED POLICIES

Patients, Parents and Guardians:

- Everyone must wear a mask or other face covering when entering the building. Unfortunately, Saluté cannot provide them. The patient may remove their mask once they are seated in the treatment room;
- You will remain in the car when arriving at our parking lot. Text (preferred) 651-209-0270 or call to notify Saluté you have arrived, your text should include your name, car make/model/color;
- Saluté will return your text or call when it's time for you to enter the building;
- Only the patient, and if necessary the parent/guardian, will be allowed in the building. No siblings or other individuals may enter;
- Waiting areas such as the lobby are closed. During the patient's appointment, the parent/guardian will return and wait in their car. If necessary, a parent or guardian may be in the treatment room with the patient;
- You will then be personally greeted by your provider at the front door;
- Upon entering the building, all individuals will be asked to sanitize their hands, screened for COVID-19 by answering a few questions and having their temperature taken by a no-touch forehead thermometer;
- For everyone's safety, anyone with a temperature of 100.0° or higher will be required to leave the building;
- At the beginning of every appointment, you will be asked to pre-rinse with a mouth wash that includes hydrogen peroxide (1.5%);
- Patients will be given eye protection to wear during their appointment;
- Our reception and checkout desks are only open to phone calls, no in-person conversations unless circumstances require.

Your Saluté Family:

- All employees must wear a mask when entering the building;
- Upon entering, all employees will be screened for COVID-19 by answering a few questions and having their temperature taken by a no-touch forehead thermometer;
- For everyone's safety, anyone with a temperature of 100.0° or higher will be required to leave the building;
- If employee fever is present, the employee will be sent home for a minimum of 3 days.
