Supplies

Amount of fabric depends on the size. Please see the pattern for fabric needs. You will also need 1.5" elastic to fit your waist comfortably. This measurement is also estimated on the pattern. Sewing machine Thread to match Basic sewing tools

This pattern was written for Flannel or woven cotton fabrics. Prior to class please cut your Fabric according to the diagram below. You will need to cut two mirrored pieces. This is best done if you cut your fabric in half lengthwise and line up the two pieces and cut both at once. If you have a one way design on your fabric, you will need to turn around one side so the are both going in the right direction. If you are unsure please email me.

Selvage Edge (finished side)

Selvage Edge (finished side)

Cutting Layout, lay fabric single layer, right sides together.

Walk the Plank PJ Bottoms Class Pattern from: Patterns for Pirates

Find the free pattern here:

1. We need to check that print at actual size is checked

2. Change "print all pages" to only the pages that have the pattern pieces that you want to print. In this case I ended up printing pages 11-28.

3. I printed in grayscale and checked save ink.
