JOIN GREENHILL FOR OUR EXCITING UPCOMING EVENTS!

Your sponsorship supports GreenHill and its mission of promoting N.C. visual art, artists, and arts education. Join us for two can't-miss events this fall and spring:

1

Collector's Choice DECEMBER 7, 2024

This event gives you pre-public access to the largest annual exhibition of contemporary art and fine crafts by North Carolina artists. Everything in this exhibition is meant for you to enjoy and collect. (Art is available at all price points!) Have a social night with friends, colleagues, or family while viewing amazing art. Collector's Choice is preceded by First Choice on Thursday Dec. 5, a smaller-group opportunity to party and collect using pre-paid art credits.

2

The Emerald Gala: *GreenHill's First Annual Fashion Show* *Featuring Athletes from Duke, UNC-CH, NC State and Wake Forest modeling clothes from North Carolina Fashion Designers* MAY 5, 2025

In an unprecedented pairing, North Carolina fashion designers will dress elite athletes from four top ACC schools: Duke, N.C. State, UNC-Chapel Hill, and Wake Forest. Join us on the "first Monday in May" with North Carolina's leading designers and fashion experts for an unforgettable gala. Our own "green carpet" (in honor of the official North Carolina gemstone) will feature exciting new designs adorning top men's and women's collegiate athletes. Stay up to date on tickets and details at www.greenhillinc.org.

SUPPORT THE FUTURE OF GREENHILL

Your sponsorship supports goes directly toward GreenHill's mission to promote the visual art and artists of North Carolina by engaging a broad community through exhibitions and educational programs.

This mission leads us to provide a platform for exploration and investment in art for everyone, including those who have barriers to including art in their daily lives. By prioritizing access, GreenHill's wide-ranging initiatives build empathy and connection through expressive, innovative, and thought-provoking arts experiences.

YOUR SPONSORSHIP:

- Helps Greensboro/North Carolina artists build their businesses and contribute to the creative economy of our city and state.
- Creates memories to multi-generational families who visit our gallery for inspiration and our ArtQuest at GreenHill studios to make art together.
- Provides arts education to children, helping to increase their achievement in STEAM topics.
- Expands our all-ages offerings to create programming, especially for teens.
- Serves underserved communities - most students on school field trips are seeing an art gallery for the very first time.
- Provides a draw for people across the state to make downtown Greensboro a cultural destination!
