Applicants:

Please review the attached guidelines and standards, and answer the following questions. Enter your responses directly into this document. Use additional pages and include photos as needed. Completed forms and support materials may be attached in email.

1. Why would you like your barn to become a City to Saddle Host Facility?

2. Describe your past or current involvement with equestrian activities. What is your relationship to the riding center?

3. Please describe the riding center... the farm , land, facilities (acres, pasture amount, number of stalls, barns, riding rings, trails) at which will the City to Saddle program/s will be run: (Attach photos if possible)

- 4. Please describe the horses... numbers, ages, breed, and the equine disciplines represented at the riding center (hunter/jumper, western pleasure, dressage, vaulting, etc.). Which ones will be used in the City to Saddle program:**

- 5. Please list the owner/s, program director/s, barn manager/s, and any other key staff at the riding center. Please identify individual/s responsible for legal, financial and other management decisions at the facility. Please include the training, certifications, and current positions/responsibilities of those who will be responsible for, and running the City to Saddle program.**

- 6. Describe the current barn program/s... the riders currently served, and lessons offered at the riding center. Please include age range of riders, number of program participants, and riders per session, etc.)
Feel free to include brochures and other report summaries.**

Sign here if you have read the attached City to Saddle Guidelines and Standards, and agree that you wish to support the City to Saddle mission by offering equestrian activities to City to Saddle participants at the location described within this document in full compliance with the Guidelines and Standards.
