ARTIST STATEMENT

“There are moments when color stays with us—not simply because of what we see, but because of what we feel.

Many of these paintings come from places I’ve stood, walked, or remembered... and moments I didn’t want to forget.

My hope is that somewhere in this collection, you’ll find a piece that reflects something meaningful in your own life.”

How to Choose the Right Painting

As you look through these works, notice which painting makes you stop. The right piece usually speaks before it explains itself.
